

## Environmental policy statement

Duty of care and sustainability...

Hayward Precision Grp Mouldings Limited is proud to be a **ISO 14001 : 2015** accredited company; we are committed to leading our industry in minimising the impact of its activities on the environment, our proactive approach of continual improvement to reduce waste, fume and odour emissions, and material consumption is a daily practice at Hayward Precision Grp Mouldings ...

The key points of our strategy are:

- Implement a training program for our staff to raise awareness of environmental issues and enlist their support in improving the Company's performance
- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions and associated odour's,
- Actively promote recycling both internally and amongst our customers and suppliers.
- Meet or exceed all the environmental legislation that relates to our Company and associated activities
